

Erratum to: Seasonal discharge and chemical flux variations of rivers flowing into the Bayhead canal of Durban Harbour, South Africa

Kavandren Moodley¹ · Srinivasan Pillay¹ · Keshia Pather¹ · Hari Ballabh¹

Published online: 24 August 2016

© Science Press, Institute of Geochemistry, CAS and Springer-Verlag Berlin Heidelberg 2016

Erratum to: Acta Geochim
DOI 10.1007/s11631-016-0100-z

In the original publication the authors have erroneously omitted to reference the Figs. 4 and 6. The correct figure caption and the reference are provided in this erratum.

Fig. 4 Interpolated images of Bayhead Canal chemical data—*blue* indicates low values transitioning to *red* indicating high values. Cr, Hg and Ni were undetected in the wet season (Moodley et al. 2015)

Fig. 6 Evidence of illegal dumping at upstream site 1 (uMbilo River) (Moodley et al. 2015)
